

MATRIX VISION come datore di lavoro

Oppenweiler

I nostri edifici sono situati ad Oppenweiler, l'ingresso al parco naturale "Schwäbisch-Fränkischer Wald". Oppenweiler si trova a circa 30 km a nord-est di Stoccarda, vicino a [Backnang](#).

La distanza dall'autostrada A81 Stuttgart - Heilbronn, uscita Mundelsheim è di circa 20 km. C'è una connessione ferroviaria diretta con Stoccarda.

L'ambiente di lavoro è importante sia per la motivazione che per l'atmosfera. Per questo motivo è stata posta particolare attenzione all'ergonomia delle postazioni, moderne ed ampie. Una di queste potrebbe essere la vostra.

What we offer

Individual advanced training and development possibilities

Regularly held employee interviews between managers and employees form the basis for the individual promotion. As a result, tasks and goals are analyzed and specific development measures implemented.

Equal career opportunities

To increase the quality and creativity of our teams, we put great emphasis on "Employee Appreciation" and "Employee Diversity". Here, the equal career opportunities play a central role, regardless of gender and nationality. We want that our employees can use their talent and potential to contribute to the success of our business.

Performance-matched salary and performance-related bonuses

- Holiday of 30 days/year
- Christmas and holiday bonus
- Working time of 40 hours per week
- Capital-forming payments

Flexible working times with flexitime regulation

For a better work-life-balance we offer flexible daily working hours. You have the option to organize your time in accordance with your personal needs as long as it supports the business interests.

Ergonomic working environment

To promote the mental health and the wellbeing of our people at work, all working places are designed after ergonomic aspects: modern and amply. Besides the furniture, lighting, acoustics, workplace organization, and room climate are further aspects.

Pleasant working atmosphere

We also offer annual events like BBQ, Christmas party, celebrations on special occasions, or sports to strengthen the team spirit outside working hours.

What characterizes us

As a stable growing medium-sized company located in Germany, we are one of the leading suppliers of image processing products and solutions because of our know-how, innovation, and the flexibility offered to the market.

Our success is built upon our highly-skilled team. Without their creativity, dedication and willingness to learn this would not have been possible. For this reasons we are constantly looking for qualified employees, who are willing to support our team.

We stand for continuity

Technical progress and innovations are the key factors for the growth of our company. Our long-term strategy and sustainable growth offer safe jobs with long-term perspectives.

We offer space for creativity

We encourage and support the creative capability of our employees. We offer a friendly working atmosphere in a young team with room for new ideas and your own development.

We are open, collegial, and honest

Our working atmosphere is characterized by an open and fair communication and a flat hierarchy with short decision ways. This enables a unconventional, effective and directed teamwork. In doing so, we put an emphasis on an honest and uncomplicated communication.

Who fits to us

We are a team of young and young at heart people with high requirements. Besides our professional competence, social skills are most important to us.

You will therefore be a good match for us if you

- show a high degree of commitment,
- have high demands on yourself and have the desire to develop further,
- work in a structured and pragmatic way,
- implement convincing ideas,

- have entrepreneurial mindsets and skills,
- take over responsibility,
- work in an esteemed manner and
- communicate honest and open
